PARENTAL TIPS

- **Be a good role model:** Children learn by watching and imitating the people around them.
- **Communicate:** Talk to your child in a warm voice, make eye contact, and listen to them.
- **Set limits:** Establish clear boundaries and be consistent with your discipline.
- **Praise good behavior:** Use PRIDE skills to recognize and reward positive behaviors.
- **Spend quality time together:** Make time for your child and have meaningful conversations.
- **Be flexible:** Adjust your parenting style as needed.
- **Show unconditional love:** Let your child know you care about them and enjoy spending time together.
- **Teach impulse control:** Help your child learn self-discipline and delayed gratification.
