**SAHIBABAD**

*Annual Report*

**2021-2022**

## INTRODUCTION

It is believed that "Education is the passport to the future, for tomorrow belongs to those who prepare for it today!". It is a lasting tradition to pause, turn around to look at the fruitful year gone by, evaluate the events and achievements, introspect, set new milestones and then synergize ourselves to face the challenges ahead in the coming year, with a positive attitude. We thank the Almighty God for all the blessings bestowed upon us.

St. Thomas School, Sahibabad has witnessed yet another successful year of progress and achievements. It was the second year in continuation driven by the pandemic. As *"Excellence is an art won by training and habituation"*, the management, teachers and students used their experience of last year to excel through the hybrid mode and have been extremely successful in all our endeavors. Remaining true to our moto 'For God and Country', the Management and the staff have tried working for an overall development of the students. Apart from preparing the students to qualify for purely academic demands, special efforts were made continuously to enable them to face the challenges of the competitive world in the form of competitions, seminars and counselling sessions.

This Annual Report provides an account of the school's various activities, operations and achievements throughout the year 2021-2022. It provides a detailed account of the progress the school has made to provide high quality educational opportunities to all students.

## ANNUAL REPORT – [2021-2022]

### ACADEMIC SESSION:

The new session started on 5<sup>th</sup> April 2021. Due to the pandemic, classes were primarily conducted online. School used Microsoft teams for online classes. All the teachers were in constant touch with the students through Microsoft Teams, WhatsApp and phone calls. PowerPoint presentations, video presentations, U-tube videos and live interactive

classes were the tools used to make teaching-learning process more effective. The online classes were successfully conducted throughout the entire session, including activities, competitions, special assemblies, special events/ national celebrations and the student assessment from time to time. In this session, following the government regulations, offline classes were also conducted for brief periods of time whenever situation permitted.
